To: Department of Ecology

From: Greta Holmstrom, Interim Planning Manager

RE: Shoreline Master Program – 2021 Updates

Cowlitz County is pleased to present documents associated with the 2021 periodic update of the Shoreline Master Program.

As our most recent comprehensive update was completed in 2018, no required changes were identified. However, the County chose to make changes needed to move the Restoration Plan from an appendix item to a stand-alone document. Updates to the Restoration Plan were also completed.
